# Tell the World With Signs

Day by day the people responsible for the sales or promotion of any business are realizing that well-worded, artistic signs are a force to attract buyers for anything. Signs will burn the name of your product or your name into the minds of your prospective customers. Signs will stimulate the desire to buy — they create a demand for your goods or services. You can put across any new idea or new thought with signs. 1923 is the year for go-getters--- There is business waiting for you.

LET US HELP YOU GET YOUR  
SHARE OF IT WITH SIGNS.
